### Description:

SB 128 (2004 GS) Creates a nursing care facilities assessment to be deposited into this fund. Money in the fund may be appropriated to the Department of Health to increase the rates paid prior to the effective date of this act to nursing care facilities for providing services pursuant to the Medicaid program.

HB 397 (2010 GS) Requires unused state funds that are associated with the Medicaid program, as defined in Section 26-18-2, from DWS and DHS to be deposited into the Medicaid Restricted Account. Expands the use of the Nursing Care facilities Account.

HB 386 (2016 GS) This bill amends the Health Care Facility Licensing and Inspection Act and other provisions of the Utah Health Code. Amends Medicaid certification provisions for nursing care facilities. Amends provisions governing the transfer of a license for a Medicaid bed from a nursing care facility program to another entity. Permits a related-party nonnursing-care-facility entity to hold a license for a Medicaid bed for a future nursing care facility program not yet identified. Amends licensing requirements for a new nursing care facility. Imposes a fine on certain health care facilities with Medicare inpatient revenue that exceeds a specified amount. Requires the Department of Health to make rules specifying information a health care facility must submit to the department so that the department can determine whether the facility is subject to the fine. Requires that fines paid by nursing care facilities for excessive Medicare inpatient revenue be deposited into the Nursing Care Facilities Account. Authorizes the use of money in the Nursing Care Facilities Account for Medicaid quality incentive payments made to nursing care facilities.
